Thanks. Yes, I think John Borkovich is the right initial contact re: potential supply wells in the vicinity. If you can get in touch with him the week of Dec. 29th, that would be great.

Jane and Sylvia, I tried to incorporate our discussion into the attached version of the joint proposal. (Please tell me if I missed anything!) I also forwarded this to Steve, Bruce, and Jonathan, and suggested either 11am or 2pm for a half-hour call tomorrow, since their calendars are open at those times. I will let you know as soon as I hear back.

Thanks,

Phil

Thanks for talking through our observations and questions. Given your recommendation that we schedule an hour call tomorrow to all talk over, here are the times Sylvia and I are available, for you to compare with State folks' availability:

Before 10:00, 11:00-1:00, 2:00-3:00.
